Sir:

In response to the Restriction Requirement, dated March 18, 2005, Applicant elects the claims of Group I for examination.<sup>1</sup> This election is made without traverse.

Claims 1 - 78 are all the claims pending in the application, however, the Restriction Requirement does not treat pending claims 68 - 77. Applicant reserves the right to file one or more Divisional Applications directed to the non-elected claims.

<sup>1</sup> This response is timely filed within the two (2) month period of response set in the Office Action.

<sup>2</sup> In fact, claims 68 - 71 depend, either directly or indirectly from claim 66 which is in Group I.
